Seared Scallops with Black Pudding and Pea Puree

A tasty flavour combination with two serving options

Ingredients:

- 12 fresh king scallops
- 12 slices black pudding (4 for serving option A)
- 400g frozen peas
- 3 sprigs fresh mint
- 2 tbsp butter

1

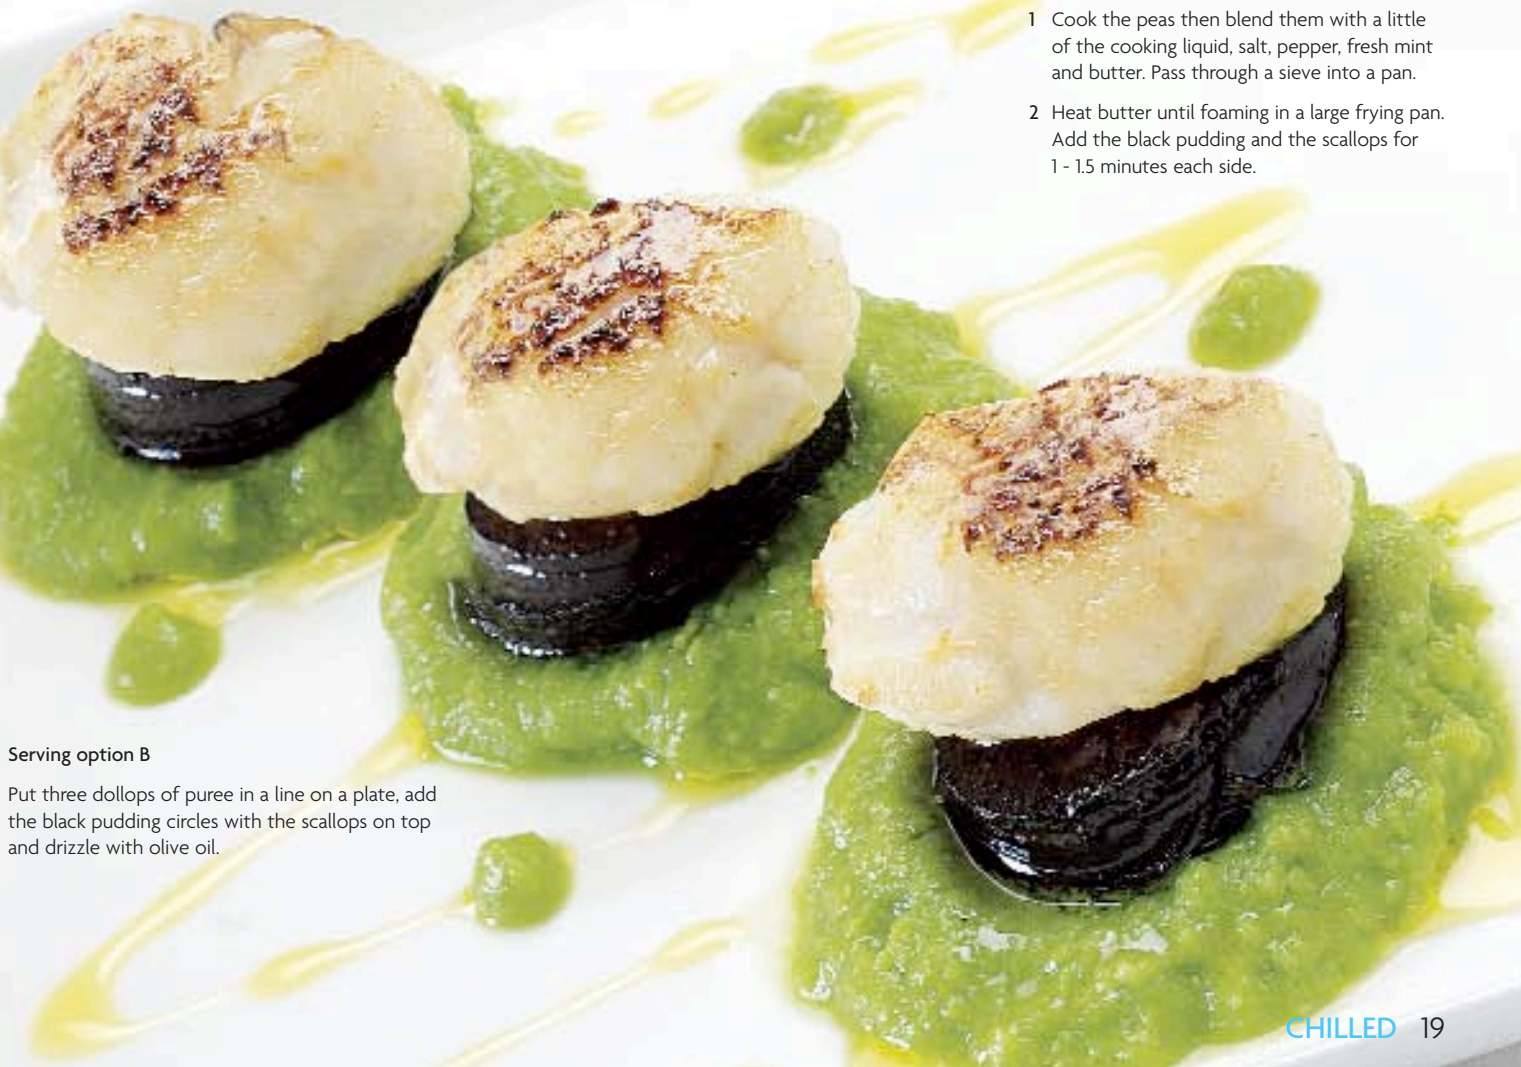

Serving option A

Crumble the black pudding with a fork, spoon the puree in the centre of a plate, add the scallops and sprinkle with the black pudding.

2

- 1 Cook the peas then blend them with a little of the cooking liquid, salt, pepper, fresh mint and butter. Pass through a sieve into a pan.
- 2 Heat butter until foaming in a large frying pan. Add the black pudding and the scallops for 1 - 1.5 minutes each side.

Serving option B

Put three dollops of puree in a line on a plate, add the black pudding circles with the scallops on top and drizzle with olive oil.
